

Digital Vinyl

The SEAL brand self adhesive vinyl product line fits virtually any application's needs. The range features three performance tiers: Digital Vinyl Elite, Digital Vinyl Capital and Digital Vinyl Performance. Each tier is primarily distinguished by its outdoor durability and vinyl grade, while thickness, opacity and price point are also important to consider based on project requirements.

Digital Vinyl Elite

For long-term premium performance, trust SEAL® Digital Vinyl Elite. Available in a popular matte finish, this 3.4 mil thick calendared polymeric vinyl features our best outdoor durability rating of 5-7 years. The 98% opacity level eliminates the need to use gray adhesive to block out most applied-surface show through, while the tight dot gain and high white point provide brilliant image quality. It is available with your choice of permanent or removable adhesive. Use Digital Vinyl Elite for wraps or other long term signage applications on vertical, flat and slightly curved surfaces.

Digital Vinyl Capital

SEAL® Digital Vinyl Capital is the go-to SAV that can be counted on for a wide variety of projects. Keep this 3.0 mil, calendared, semi-polymeric vinyl in stock for use with your day-to-day applications. The permanent adhesive and outdoor durability of 4-5 years provide an excellent solution for general signage applications on vertical, flat and slightly curved surfaces. This product is available in a gloss finish.

Digital Vinyl Performance

SEAL® Digital Vinyl Performance is the economy SAV solution for shorter term applications. This removable-permanent calendared monomeric vinyl is 3.5 mils thick and has an outdoor durability of 3-4 years. It utilizes a new adhesive technology that allows it to be removed within one year from application with minimal adhesive residue if applied on a sound surface. This cost-effective option has a high opacity that can be applied over previously imaged surfaces without the use of a gray adhesive. Choose either the matte or gloss finish to create vibrant wall graphics and general signage applications for vertical, flat, and slightly curved surfaces.

Please note: For specific printer and ink compatibility ratings refer to the individual Product Reference Sheets.

Sizes & Item Numbers

Product Range

Product	Finish	Adhesive Type	Item Number	Size	Thickness	Vinyl Type	Outdoor Durability	Opacity
Elite	Matte	Permanent	62833	54" x 150'	3.4 mil	Calendered-Polymeric	5 to 7 years	98%
	Matte	Permanent	62834	60" x 150'	3.4 mil	Calendered-Polymeric	5 to 7 years	98%
	Matte	Permanent	62830	30" x 10'	3.4 mil	Calendered-Polymeric	5 to 7 years	98%
	Matte	Removable*	62843	54" x 150'	3.4 mil	Calendered-Polymeric	5 to 7 years	98%
	Matte	Removable*	62844	60" x 150'	3.4 mil	Calendered-Polymeric	5 to 7 years	98%
	Matte	Removable*	62840	30" x 10'	3.4 mil	Calendered-Polymeric	5 to 7 years	98%
Capital	Gloss	Permanent	62853	54" x 150'	3.0 mil	Calendered-Semi Polymeric	4 to 5 years	95%
	Gloss	Permanent	62854	60" x 150'	3.0 mil	Calendered-Semi Polymeric	4 to 5 years	95%
	Gloss	Permanent	62850	30" x 10'	3.0 mil	Calendered-Semi Polymeric	4 to 5 years	95%
Performance	Matte	Removable*	62873	54" x 150'	3.5 mil	Calendered-Monomeric	3 to 4 years	>96%
	Matte	Removable*	62874	60" x 150'	3.5 mil	Calendered-Monomeric	3 to 4 years	>96%
	Matte	Removable*	62870	30" x 10'	3.5 mil	Calendered-Monomeric	3 to 4 years	>96%
	Gloss	Removable*	62883	54" x 150'	3.5 mil	Calendered-Monomeric	3 to 4 years	>96%
	Gloss	Removable*	62884	60" x 150'	3.5 mil	Calendered-Monomeric	3 to 4 years	>96%
	Gloss	Removable*	62880	30" x 10'	3.5 mil	Calendered-Monomeric	3 to 4 years	>96%

*One year removability from smooth, sound OEM surfaces with little or no adhesive residue.
